L-ADIO Firmware v1.03

Alpha and Outback Energy GmbHs is pleased to announce the release of our newest firmware version for the Cordex HP L-ADIO, Version 1.03.

New Features and Improvements:

- Fixed an issue that would cause the ADIO to briefly go "Comms Lost" every 5 days.

Upgrade procedures using the Web Browser:

Cordex HP controller is required to upgrade this L-ADIO firmware.

1. On the **Modules -> Module Upgrade** page, click the **Upload Firmware Files** button in the **Firmware Files** table, and the **Select File** button from the pop-up. Browse to the file location, and select the appropriate file with the .acan prefix.
2. Click **Upload**.
3. In the **Firmware Upgrade** table, edit the **File** field to select the newly uploaded .acan file. Click **Save**.
4. Click the **Start Firmware Upgrade** button and wait for the upgrade to complete.

You have now successfully upgraded the L-ADIO. Thank you for choosing Alpha and Outback Energy GmbH.
